

Our Location

Mission San Antonio de Pala is a historic parish with original mission chapel, old cemetery, museum, old jail, patio gardens, beautiful picnic grounds, and a 10 year old function hall where we will have our conference. This secluded location offers a prayerful and reflective atmosphere.

Background of the Divine Mercy Devotion

From the diary of a young Polish nun, a special devotion began spreading throughout the world in the 1930's. The message is nothing new, but is a reminder of what the Church has always taught through scripture and tradition: that God is merciful and forgiving and that we, too, must show mercy and forgiveness. But in the Divine Mercy devotion, the message takes on a powerful new focus, calling people to a deeper understanding that God's love is unlimited and available to everyone — especially the greatest sinners.

The message and devotion to Jesus as The Divine Mercy is based on the writings of Saint Faustina Kowalska, an uneducated Polish nun who, in obedience to her spiritual director, wrote a diary of about 600 pages recording the revelations she received about God's mercy. Even before her death in 1938, the devotion to The Divine Mercy had begun to spread.

The message of mercy is that God loves us — all of us — no matter how great our sins. He wants us to recognize that His mercy is greater than our sins, so that we will call upon Him with trust, receive His mercy, and let it flow through us to others. Thus, all will come to share His joy.
